HP LIFE | HP Foundation

Certificate of Completion

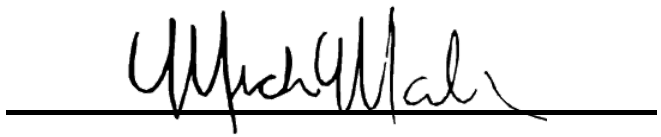

Thanwar Das

has successfully completed the HP LIFE online course

Strategic Planning in the AI Age

By completing this course, the above-named student has learned how to use strategic planning to make better business decisions in an AI-driven world. They have learned about the core components of a strategic plan, discovered how to evaluate practical planning frameworks, and developed the skills to use AI tools to support strategic thinking.

Presented 10/23/2026

Michele Malejki
Executive Director, HP Foundation
